Christina, i just wanted to write you and tell you how much help you were to me. Things have been very difficult for me and my family as of lately and i have tried to reach out for help but allways got the run around. It was very comforting working with some who was warm and concerned with helping me in these troubling times.

So from me and my family,

THANK YOU.

Jack,

I am glad I was able to help you through this process.

Thanks again,
