

The United Law Group

To Whom it May Concern

I, Vickie S. Bullford had the nicest and easiest time with Tom Selene and Jonathan Mansfield.

They both are very personable and gave me lots of information.

They made it easy to understand and they put up with my humor.

They are both really great!

I want to thank the United Law group for a wonderful experience and two delightful guys to work with.

Thank you,

Vickie S Bullford
